

Advancing Environmental Health Data Sharing and Analysis: Finding a Common Language

June 25, 2013

8:30 a.m. – 4:30 p.m.

**U.S. Environmental Protection Agency
109 T.W. Alexander Drive
Research Triangle Park, NC, 27709
Conference Room C112**

- Come learn about standard language efforts in the field of environmental health science that can enhance your work.
- Share and engage in discussions on the way forward for environmental health sciences terminology.
- Help develop a local community of standard language expertise within the environmental health sciences.
