

# Workshop on Identifying Opportunities for Global Integration of Toxicogenomics Databases

**June 26, 2013**

**8:45 a.m. – 4:40 p.m.**

**Building 101, Rodbell B**

Help identify opportunities  
to enhance interoperability,  
harmonize, and combine  
globally existing  
toxicogenomics databases

## A collaboration of:

- National Institute of Environmental Health Sciences
- National Toxicology Program
- International Collaboration on Research Data Infrastructure
- Data Infrastructure for Chemical Safety, a project for the European Union

Individuals with disabilities who need accommodation to participate in this event should contact Kim Holmes at 919-541-1389 or [kim.holmes@nih.gov](mailto:kim.holmes@nih.gov). TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.
